Dear Mr. Sto Tritchew,

It is with great pleasure that I accepted your scholarship at the Construction Engineering Technology – Architecture program awards banquet on May 15, 2008. I owe my success to your generosity and your understanding in providing this financial support. This contribution is a valuable investment to help me attain my education goals.

I would like to thank and acknowledge Mr. Sto Tritchew and the Ontario Sewer and Watermain and Heavy Construction Association for its support in helping me further my education in the Construction Engineering Technology – Architecture program at Niagara College. I have greatly appreciated the financial aid you have provided me and the interest you show in this program and its students.

Thank you for your contribution, generosity and appreciation.

Sincerely,

Corey St-Amand
