Dear Sto:

It was a pleasure to speak with you and Sam Kitson last week and to share our plans for new construction at the Welland campus.

I wanted to write and sincerely thank you on behalf of Niagara College for your donation to support students in the Construction Engineering Technology-Architecture program. The support of business leaders like yourselves is essential to the continued success of Niagara College and our commitment to Niagara region to provide first-class training, equipment and scholarships to our students.

Your donation will be matched through the Ontario government's Ontario Trust for Student Support (OTSS) program, meaning that your gift will have an even greater impact as an investment in the future of our community.

Thank you again for your on-going support of Niagara College. An official tax receipt in the amount of \$21,000 is enclosed for your records.

Sincerely,

A handwritten signature in cursive script that reads "Sean Kennedy".
